

ASSIGNMENT – 4

Before Developing any web page design is the most important phase.

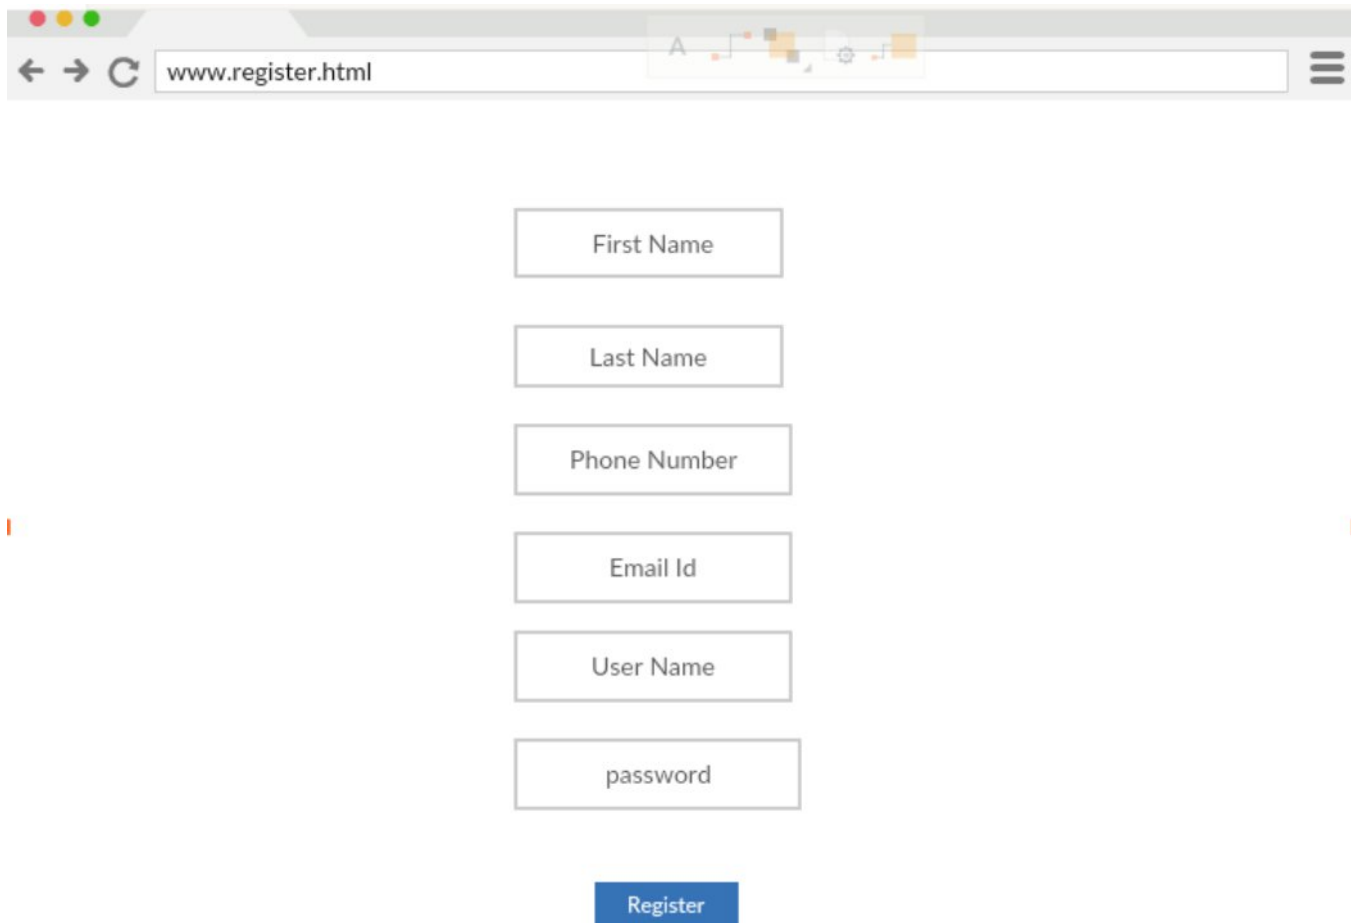

Following images shows the design of the website

The image shows a web browser window with the address bar displaying 'www.LoginPage.html'. The page content is centered and includes the following elements:

- A title 'LOGIN PAGE' in blue text.
- A text input field labeled 'USER NAME'.
- A text input field labeled 'PASSWORD'.
- Two buttons: 'Button' and 'Register', both in blue.

Register Page:

A screenshot of a web browser window displaying a registration page. The browser's address bar shows the URL "www.register.html". The page contains a vertical stack of six text input fields, each with a placeholder label: "First Name", "Last Name", "Phone Number", "Email Id", "User Name", and "password". Below these fields is a blue button labeled "Register".

First Name

Last Name

Phone Number

Email Id

User Name

password

Register

Maps Page:

Shows direction along with weather details
